

Tenable Representatives to Address Pacific Institute for Applied Network Security Event

WHAT: Tenable Network Security will discuss how to better manage risk, with a focus on how detection and management technology continues to shape network security. Tenable will be represented on the Forum's Vendor Panel and will have breakout sessions to address the technical issues raised by Forum delegates.

Additionally, Mr. Marcus Ranum, Tenable CSO, is participating in a panel discussion on the state of information security today.

WHEN: December 3-4, 2007
9:00 AM EST

WHERE: San Francisco Marriott
55 Fourth Street
San Francisco, California 94103 USA
Phone: 1-415-896-1600
